

\$20 REWARD.—Ran away from the subscriber, living in Prince George's county, (near Piscataway,) in the State of Maryland, on the night of the 13th instant, negro boy named SANDY. He is about nineteen years of age, and between five and six feet high; he is very dark, has a full white eye, large white teeth, which he shows when spoken to—his teeth are rather far apart. It would be needless for me to say any thing about his clothing, as he can change it. I am of the opinion that he has procured a pass. I will give the above reward if taken in the District of Columbia or any of the adjoining counties; and ten dollars if taken in Prince George's county and delivered to me, or secured in jail so that I get him again.
